

MCA Detroit is hosting documents in regards to COVID-19. These documents can be accessed by going to mca-detroit.org/covid-19. We will continue to provide updates as relevant information is added.

On a Positive Note

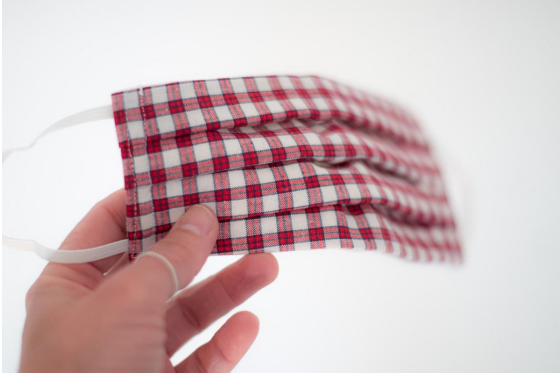

In the first 6 months of 2020 US charitable donations have increased to a new record amount! This year donations have increased by \$1.7 Billion which equates to 50% more in aid over last year! This number includes both nonprofit charities as well as crisis relief efforts. Every generation has also seen an uptick in donations from Millennials to the Greatest Generation. The most widely supported charities this year include Feeding America, the Salvation Army, and Doctors without Borders!

Good News!

Legal/Regulatory

Employee/Safety

Governor Whitmer has signed Executive Order (EO) 2020-153 into effect. This EO strengthens the prior requirement on masks set forth in EO 2020-147. Masks are required for indoor use at any commercial establishment or outdoors if social distancing is not consistently possible. In addition, businesses must post signs informing customers that masks must be worn. Any businesses in violation of this will be fined. This Order rescinds and replaces EO 2020-147

The FDA has listed an **additional 6 (75 total) sanitizers that contain methanol** that are made in Mexico. Methanol is a substance that can be toxic when absorbed through skin. If you or someone you know has used any of these products the FDA recommends they immediately seek medical care as issues can range from blindness to death. The FDA maintained list can be viewed here:

PPE

The Michigan Chamber of Commerce has assembled an up-to-date list of Michigan Businesses that are taking PPE-related orders. To order from these companies you can simply contact them directly. In addition there is a link to a disinfectant list maintained by the EPA and on May 15th, two new credible sources for PPE were added which are reliable and have a good working relationship with MCAA: MONTCO and Rescue One.

U.S. Small Business Administration

On June 15th the Small Business Administration (SBA) began accepting new applications for Economic Injury Disaster Loans (EIDL) and Advances. These advances can be up to \$10,000 and do not have to be repaid. Any applications made before April 15th will be processed first and any new applications will be processed on a first come first serve basis.
