3. **Civil Rights.** The parties to this Agreement acknowledge that they are subject to State and Federal law and municipal ordinances regarding equal opportunity and fair employment and therefore will jointly take the necessary steps to comply with these laws and ordinances to assure, within the scope of this Agreement, compliance with equal opportunity and fair employment practice laws and ordinances and that the employment, termination, referral or selection of all Employees shall be on the basis of qualifications without regard to race, color, sex, age, religion, national origin and ancestry. Wherever any words are used in this Agreement in the masculine gender, they shall be construed as though they were also used in the feminine gender in all situations where they would so apply.

ARTICLE II

The Union is composed of Journeyman and Apprentice members of Pipefitters, Steamfitters, Refrigeration and Air Conditioning Service Local Union No. 636 of Metropolitan Detroit Area, Michigan which is associated with the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada, AFL-CIO.

6. No Employer shall use his right of transfer to terminate an Employee.
7. There shall be no limitation imposed by the Union upon the amount of work any Employee may perform.

The selection of a Steward shall not increase the number of Employees necessary to man the job as determined by the Employer. The Steward shall be permitted sufficient time, while on the jobsite, to perform those Union duties which cannot be performed during non-working hours and which do not unduly interfere with or hinder the progress of the work. No Employee shall be authorized to act as a Steward on any job until such time as written notice of his appointment as Steward is given to the Employer at the Employer's main office within the geographical jurisdiction of the Local Union.

14. The Vacation and Holiday contribution is doubled for all overtime hours worked and shall be paid directly to the Employee in the Employee's regular paycheck. An Employee may, upon hire and every December 1 and June 1 thereafter, request an Employer provide a separate weekly Vacation and Holiday payment. Employers will commence separate weekly Vacation and Holiday payments within three (3) weeks of notification by Employee. If the Employee requests, the Employer shall make weekly Vacation and Holiday payments. The Employer shall make these on a separate check or to a designated account. Trust Funds

34. I. E. T. F.) (hereinafter referred to as the "Joint Trust Funds") shall be administered jointly by an equal number of representatives of the Association and Union in accordance with the respective Agreements and Declarations of Trust pursuant to

which they are established. Said Agreements and Declarations of Trust shall conform to all requirements of law and, together with any amendments thereto, shall be considered as part of this Agreement as though they were set forth herein, at length. Further, to protect the Joint Trust Funds, any Collective Bargaining Agreement (CBA) or renewal of a CBA, with an effective date on or after July 31, 2006, whose terms deviate from the contributions and benefits as set forth herein, must be approved by the Trustees of the affected Joint Trust Funds prior to implementation of the CBA; otherwise, such contributions will be rejected by the Joint Trust Funds so affected and the Joint Trust Funds will incur no liability for failure to accept or collect such contributions.

35. The Union shall elect, designate or appoint the Union Trustees and the Association shall elect, designate or appoint the Employer Trustees to the Joint Trust Funds.
36. For all applicable Joint Trust Fund contributions, refer to the applicable Wage and Fringe Benefit package listed in **ARTICLE V** of this Agreement. All changes in funding shall commence with the first full payroll period on or after June 1st of the current contract year.
37. Pursuant to **Paragraph 73** Joint Trust Fund Contributions shall be paid on either a weekly or monthly basis. Where they are made on a weekly basis the provisions of **Paragraph 73** shall control. Where contributions are made on a monthly basis, in addition to complying with the applicable provisions of **Paragraph 73**, the Employer shall ensure that the Joint Trust Fund contributions for the prior month shall be forwarded to the depository designated by the Trustees of the Joint Funds as provided for in the Joint Trust Agreements, by the 15th of the month, except that payment by the Employer shall consist of contributions for all whole weeks in said prior month. Payment of contribution for an incomplete week at the end of the prior month shall be included in the payment of contributions for the following month. The provisions of this Paragraph shall apply to Dues pursuant to **Paragraph 64** and contributions to the International Training Fund (ITF) pursuant to **Paragraph 66**.

38. Only fringe reports provided by the TPA shall be used to report hours worked and contributions of Employees. Custom-designed Employer reporting forms may be used only if approved in writing by the JAC. Fringe benefit contribution forms must be submitted timely regardless of whether work was performed for the time period in question. If no Employees were employed during a particular time period, the Employer must indicate on the reporting form that no hours were worked in that time period and/or that the report constitutes the final report to be provided by the Employer. Failure to timely file contribution reports, whether or not work was performed, will result in liquidated damages to compensate the Joint Trust Funds for the administrative time and expense in verifying the hours worked or lack thereof.
39. **Defined Benefit Pension Fund (DB Pension)**. The Employer agrees to pay to Pipefitters Local 636 Defined Benefit Pension Fund, for each Employee covered by this Agreement, the current allocated sum for each hour worked, for the purpose of providing pension benefits for the Employees or their widows. The parties agree to maintain the required maximum 25% IRS standard for the DB Pension contribution. In addition, the DB Pension shall be kept fully funded. The term “fully funded” means that at any time the present value of benefits earned to date are funded by the assets of the plan. The determination of whether the fund is fully funded will be made annually by the Fund’s actuary.
40. **Defined Contribution Pension Fund (DC Pension)**. The Employer agrees to pay to Pipefitters Local No. 636 Defined Contribution Pension Fund, for each Employee covered by this Agreement, the current allocated sum for each hour worked, without regard to whether the hours are worked at straight-time or overtime, for the purpose of providing pension benefits for the Employee.
41. **Wage Reduction Plan**. An Employee may elect to defer a portion of his regular straight-time wages into the DC Pension plan under the conditions listed in **Paragraph 42** through **Paragraph 47** below.
42. Deferrals may only take place from the Employee’s regular straight-time hours. Deferrals cannot be made from daily or weekly overtime.

43. Deferrals may only be in increments of Fifty cents (\$.50) or to whole dollar increments up to the maximum limit approved by the I.R.S.
44. A deferral may be initiated by an Employee by obtaining a standard printed deferral form from the TPA, the Employer, or the Union, fully completing, signing and dating the form, and delivering the form to the office of the Employer.
45. A new deferral may be made upon hire by a new Employer or once each quarter of any calendar year.
46. An Employee may revoke a deferral form at any time by advance written notification to the Employer.
47. A continuation of this wage deferral plan is conditioned upon the approval of the Amended Defined Contribution Pension Plan by the Internal Revenue Service.
48. **Retiree - Widow Benefit Fund (Retiree/Widow Fund)**. The Employer shall pay into Pipefitters Local No. 636 Retiree-Widow Benefit Fund the current allocated sum for each hour worked by each of his Employees covered by this Agreement, regardless of whether the hours are worked at straight time or overtime.
49. Payment of benefits from the Retiree/Widow Fund shall be contingent upon, and subject to, obtaining and retaining such approval of the Internal Revenue Service as may be necessary to establish the deductibility, for Federal Income Tax purposes, of any and all contributions made by the Employers under applicable provisions of the Internal Revenue Code of 1954, as amended.
50. **Piping Education Council**. All signatory Employers, or Employers otherwise bound by this Agreement, shall pay to the Piping Education Council, for each hour worked, the applicable contributions specified in the wage and fringe benefit schedule. In the event an Employer fails to pay the Piping Education Council, a like-kind contribution shall be paid to the P. I. E. T. F. which shall be in addition to the regular P. I. E. T. F. contribution required by **ARTICLE VI, Paragraph 57**.

51. The Piping Education Council shall be administered by the Association for activities designed to promote and improve the industry, and the Agreement and Declaration of Trust under which the Piping Education Council has been created, together with any and all amendments, is incorporated into this Agreement by reference. In the successive years of this Agreement, the Association may, upon written notification to the Union, exercise its right to unilaterally increase the amount of the hourly contribution paid by Employers to the Piping Education Council. Such notification shall specify the amount of such increase.
52. Recommendations and suggestions for the operation of the Piping Education Council shall be referred to the IRC for its consideration and comment before forwarding to the Trustees. A representative of the Piping Education Council shall meet monthly with the IRC to confer on Piping Education Council activities.
53. **Insurance Fund.** The Employer agrees to pay to Pipefitters Local No. 636 Insurance Fund for each Employee covered by this Agreement, the current allocated sum for the Insurance Fund for each hour worked, which shall be used for the purpose of providing Group Insurance for Employees and their dependents
54. **Retiree Insurance Fund.** The Employer agrees to pay to Pipefitters Local No. 636 Retiree Insurance Fund for each Employee covered by this Agreement the current allocated sum for the Retiree Insurance Fund for each hour worked. There are no vested benefits in the Retiree Insurance Fund.
55. **Supplemental Unemployment Benefit Fund (SUB Fund).** The Employers agree to pay to the Pipefitters Local No. 636 Supplemental Unemployment Benefit Trust Fund, for each Employee covered by this Agreement, the current allocated sum for each hour worked, for the purpose of providing supplemental unemployment benefits for the Employees.
56. The Trustees of the SUB Fund have the discretion and authority to determine the amount of the benefit to be paid Employees from the Fund (the "Benefit Level"), which includes the discretion and authority to change the Benefit Level from time to time. In the event of a deadlock in determining the Benefit Level, benefits shall be paid

based upon the SUB Fund Asset Level as of the first (1st) day of the month immediately preceding the payment of benefits, as set forth in the following schedule:

<u>Asset Level</u>	<u>Weekly Benefit</u>
Less than \$500,000.00	\$50.00 per week
\$500,000.00 to \$1,000,000.00	\$100.00 per week
\$1,000,000.01 to \$2,500,000.00	\$150.00 per week
\$2,500,000.01 to \$4,000,000.00	\$175.00 per week
\$4,000,000.01 to \$6,000,000.00	\$225.00 per week
\$6,000,000.01 to \$8,000,000.00	\$275.00 per week
\$8,000,000.01 to \$11,000,000.00	\$325.00 per week
\$11,000,000.01 to \$14,000,000.00	\$375.00 per week
\$14,000,000.01 to \$17,000,000.00	\$425.00 per week
\$17,000,000.01 to \$20,000,000.00	\$475.00 per week

For the first two (2) increments of \$2,000,000.00 in the SUB Fund's equity, the Benefit Level shall increase by fifty dollars (\$50.00). For each additional increment of \$3,000,000.00 in the SUB Fund's equity, the Benefit Level shall increase by fifty dollars (\$50.00) up to a maximum benefit of four hundred seventy five dollars (\$475.00). When necessary to maintain a Benefit Level based upon this schedule, the Union may annually reduce the Vacation and Holiday contribution and increase the SUB Fund contribution by a corresponding amount. When the additional sum is no longer required the Union may, in the following year, reduce the SUB Fund contribution and increase the Vacation and Holiday contribution by a corresponding amount. When the Union exercises their right to move money from the Vacation and Holiday contribution to the SUB Fund contribution and back, the total wage and fringe benefit package for any Employee involved will not change.

57. **Pipefitting Industry Educational Trust Fund (P. I. E. T. F.)**. The Employer agrees to pay into the P. I. E. T. F. the current allocated sum for each hour worked by any Employee covered by this Agreement. The P. I. E. T. F. shall be administered by the Joint Apprenticeship Training Committee (JATC).

58. **Mechanical Contractors Apprenticeship & Training Reimbursement Fund**. The parties hereto agree that the training and development of Apprentices benefits the entire Industry. Consequently, the parties further agree that the labor costs, including wages and fringe benefit contributions, paid to, or on behalf of, an Apprentice for days he attends an approved apprenticeship training class, should be underwritten and borne by all of the Industry Employers and not by the Apprentice's instant Employer.
59. There is hereby created a Mechanical Contractors Apprenticeship & Training Reimbursement Fund to be known as the Industry Apprenticeship Reimbursement Fund (IARF) which shall be established solely and exclusively for the purpose of underwriting the cost of wages and fringe benefits, paid to, or on behalf of, Apprentices for the days they attend approved Apprenticeship training classes.
60. The IARF shall be administered by Employer Trustees under a written declaration of trust. The Association shall appoint the Employer Trustees to administer the IARF. The Employer signatory hereto agrees to be bound by the terms and conditions of the aforesaid trust agreement and all subsequent amendments thereto including any lawful rules and regulations adopted by the Trustees of said Fund. The Trustees of said Fund shall be responsible for the lawful operation of said Fund as required by law and shall cause an annual audit of the Fund to be conducted each year, a copy of which audit shall be furnished to the Union.
61. The Employer shall pay to the IARF the current allocated sum for each hour worked by all Employees covered hereunder. It is further understood that this hourly contribution may be increased or decreased by the Trustees during the life of this agreement where the Trustees in their opinion decide that the hourly contribution must be adjusted to meet the Fund's obligations. All payments shall be remitted in care of the Bank Depository as designated by the Trustees.
62. The Employer signatory hereto and the Union both recognize, stipulate and agree that the IARF Board of Trustees is a third party beneficiary under the terms of this agreement pursuant to the Michigan Statutes.

63. **Transition from Bargaining Unit to Non-Bargaining Unit** – In the event an Employee on whose behalf contributions have been made is moved to a non-bargaining unit position by that same Employer or a different Employer and, consequently, contributions are no longer due on their behalf, the Employer and Employee must take the following steps: (1) The Employer must notify the Union and the TPA of the change in position, including the title and job duties of the new non-bargaining unit position with the statement that contributions will no longer be submitted on the Employee's behalf. Fringe benefit contributions will continue to be due and payable for all hours worked prior to receipt of such notification. (2) The Employee must contact the Union and advise of his or her assignment to a non-bargaining unit position and must either resign from the Union or pay to the Union directly all dues and assessments required to remain a member in good standing. The failure to provide the aforementioned notification, in form and content satisfactory to the JAC, will require the Employer to continue to pay contributions on the Employee for all hours worked until satisfactory proof has been submitted that bargaining unit work is no longer being performed. Further, the Trustees' acceptance of the Employer's notification set forth above and/or interim failure to pursue contributions on behalf of such Employee, does not waive any and all contractual and legal rights of the JAC to pursue contributions on the Employee's behalf in the event the Trustees, in their discretion, decide to investigate and pursue contributions, as part of their fiduciary duty, to collect contributions for all work performed under the terms of this CBA.

ARTICLE VII

Dues Authorization

64. The Employer members of the Association agree to designate an agent for the receipt of dues deduction authorizations. Said agent shall be the same agent as the one utilized by the JAC for the receipt of fringe benefit contributions made pursuant to this Agreement. Such authorizations shall be in the form which is set out in **APPENDIX B** which is attached to and made a part of this Agreement. All dues deduction authorizations which have been voluntarily and individually executed by the Employees shall be

deposited with said agent. Upon notification of receipt of such authorizations, the Employer members of the Association shall forward the applicable contribution as specified in the applicable Wage and Fringe Benefit package on a per hour basis as working dues for all hours worked, whether on a straight-time or overtime basis, for the Wage and Fringe Benefit package of Employees covered by said authorizations and shall remit said sums to an agent designated by the Association for transmittal to the Union. The Union shall indemnify and save the Association and/or its members harmless against any and all claims, demands, suits and other forms of liability that may arise out of or by reason of an Employer's deduction of working dues pursuant to this Section.

65. Any Employee who cancels a dues authorization during the term of the Agreement shall notify in writing both the Employer and the Third Party Administrator of the date such cancellation is to be effective.

ARTICLE VIII

International Training Fund (ITF)

66. Each Employer signatory to this Agreement shall forward to the depository designated by the Trustees of the Joint Trust Funds each month the current allocated sum for each hour worked, for the ITF.

ARTICLE IX

Joint Administrative Committee (JAC)

67. The Association and the Union will each appoint two (2) representatives to the JAC of the Plumbing and Pipefitting Industry in the Detroit area. Each representative shall have alternates authorized to act in his place. Rules adopted by the JAC must provide for equal voting rights between Union and Employer representatives.
68. The purpose of the JAC is to coordinate the activities of the various Employee benefit funds in the Plumbing and Pipefitting Industry, such as in the collection of contributions, printing of forms, prosecution of delinquencies, publication of information to Employers and Employees, etc. The JAC shall have the power and authority to require the posting of bonds by Employers who have been delinquent in payment of money due to the Funds, either as to the

amount or as to time; or to take any other action which, in the JAC's discretion, the JAC believes desirable or necessary to secure the payment of money due to the Funds, including, but not limited to the authorization of a strike against the delinquent Employer, or the commencement of, or intervention into, any suit or action. The Association, the Union and the Employer agree that the damages which will result from the failure of an Employer to pay fringe benefit contributions on time, or in correct amount, are difficult to calculate with any certainty and, therefore, any Employer who fails to make payments to the Funds on time or in correct amount, in accordance with this Agreement, shall pay, in addition to the contributions, an additional amount as liquidated damages. Liquidated damages hereunder are not a penalty. The liquidated damages shall be calculated in accordance with rules and regulations adopted by the JAC and are incorporated as if set forth herein. Acceptance of any contributions by any of the Joint Trust Funds, the JAC, Trustees, or TPA shall not constitute a waiver of the right to assess liquidated damages if such contributions were paid after the due date. In addition, each Employer agrees that if contributions are not timely remitted, it shall pay all legal expenses (including attorney fees), accounting expenses, or other costs which can be calculated with reasonable certainty incurred by the Funds in pursuing collection of delinquent contributions. The JAC shall have the right to waive liquidated damages in cases it determines appropriate. Such damages are cumulative and in addition to, and not in lieu of, any other legal rights and remedies available to the Joint Trust Funds under ERISA or other applicable law, whether or not legal action is commenced to collect the delinquent contributions.

69. The JAC shall have such other responsibility and authority as may be properly delegated to it by the Trustees of the Joint Trust Funds by appropriate resolutions, and the JAC is authorized to accept, hold and return any security deposit that is furnished by an Employer to the JAC.
70. Every Employer signatory to this Agreement, individually or through membership in the Association, hereby expressly agrees to make available its books and records to any auditor or accountant appointed by the JAC to verify the correctness of reports transmitted by the Employer to the TPA.

71. Expenses incurred by the JAC in the performance of its functions shall be borne by the Joint Trust Funds on the basis agreed upon by the JAC.
72. Every Employer signatory to a collective bargaining agreement with the Union, or who operates under any other agreement which requires the payment of contributions into the Funds (including but not limited to the United Association Standard Form of Agreement, National Specialty Agreement, National Service and Maintenance Agreement, National Industrial Maintenance Agreement, National Power Generation Maintenance Agreement, Mechanical Equipment Service and Maintenance Agreement, General Presidents' Project Maintenance Agreement, National Construction Agreement, National Pneumatic Control Systems Installation and Service Agreement, National Pneumatic Control Systems and Mechanical Equipment Service and Maintenance Agreement for the United States of America, or any other such local or national agreement), is required to comply with the provisions for collection of contributions, liquidated damages, interest, attorneys' fees and other costs of collection as set forth in the Trust Agreements establishing such Funds, any plans established pursuant to such Trust Agreements, this Agreement, and/or the policies and procedures adopted from time-to-time by the JAC. In addition to the remedies set forth in this agreement or the foregoing documents, the JAC, when it is deemed necessary to ensure timely and complete submission of contributions, liquidated damages, interest, attorneys' fees and other costs of collection, shall have the authority to require any Employer who contributes to the Funds to comply with the following:
 - a. To obtain a surety bond, in an amount and form acceptable to the JAC, to secure payment of contributions, liquidated damages, interest, attorneys' fees and other costs of collection; or
 - b. To obtain a letter of credit, in an amount and form acceptable to the JAC, to secure payment of contributions, liquidated damages, interest, attorneys' fees and other costs of collection; or

- c. To post a cash deposit, in an amount acceptable to the JAC, to secure the payment of contributions, liquidated damages, interest, attorneys' fees and other costs of collection;
and
- d. In addition to either a, b, or c above, to make payment of contributions on a weekly basis and to provide information regarding any and all current projects of the Employer, including the identity of the owner, general contractor, and the customer of Employer, Employees who have worked on the project (including Social Security Numbers and records verifying the dates and hours worked by such Employees), a copy of the Notice of Commencement/payment bond, and any other information necessary for the Funds to pursue remedies provided under applicable state and/or federal lien and bond statutes, such as MCLA 129.201 et seq., MCLA 570.101 et seq., MCLA 570.1101 et seq., and 40 USC §270(a) et seq.

ARTICLE X

Guarantee of Contract Liability

- 73. The parties agree that every Employer who is signatory or otherwise bound to this Agreement shall pay contributions to the various Trust Funds on a weekly basis no later than the first Monday following the completed work week for which they are due. However, if an Employer fails or refuses to pay on a weekly basis, the Employer must pay fringe benefit fund contributions by the 15th of the month following the work month for which contributions are due and post a cash or surety bond in a manner, form, and amount acceptable to the JAC, or, may be allowed to post or provide another guarantee of payment satisfactory to the JAC (hereinafter referred to as "financial guaranty bond") to insure the payment of wages, fringe benefit contributions and liquidated damages required under the terms of this Agreement. Whether a cash or surety bond or other guarantee of payment is acceptable or satisfactory, or whether a guarantee of payment other than a cash or surety bond will be allowed, is determined in sole discretion of the JAC.

74. The original copy of the financial guarantee shall be deposited with the Trustees of the JAC. Should an Employer be late in the payment of his fringe benefits twice in any six (6) month period, the Employer shall be required, if directed by the JAC, to post an additional financial guarantee bond, in an amount equal to his initial bond, with the Trustees of the JAC. Said additional bond shall be effective for the period of the initial bond or for such other period as is established by the JAC. The bond may be waived by the JAC in unusual circumstances; but in the event the bond is waived, the Employer must make fringe benefit payments on a weekly basis in advance.
75. In the event the Employer is unable to obtain or for any other reason fails to post a sufficient financial guarantee bond, this will mandate weekly fringe payments from the Employer within seven (7) days after the end of each pay period to the Agent designated by the Trustees of the various Joint Trust Funds for the receipt of such contributions, or the Employer shall furnish a cash security deposit in an equivalent amount as the financial guarantee bond which shall be placed with the JAC. The account shall at all times be separate from all other accounts and shall never be commingled with accounts for other purposes. Nothing in this paragraph shall preclude any Employer from substituting a financial guarantee bond for any cash security deposit made under this Article. In such event said cash security deposit shall be returned to the Employer upon the presentation of such a surety bond.
76. Failure to submit timely weekly fringes will result in the same denial of manpower and interest charges that are applied for late monthly payments.

ARTICLE XI

Joint Apprenticeship Training Committee (JATC)

77. A Joint Apprenticeship Training Committee (JATC) consisting of four (4) representatives from the Association and four (4) representatives from the Union shall establish rules and regulations for the selection and training of Apprentices in the industry and shall have superintending control of such program.

78. When an Employer has from two (2) to five (5) Employees covered by this Agreement, one (1) of them may be an Apprentice, if available. When an Employer has more than five (5) Employees covered by this Agreement, one (1) of them shall be an Apprentice, if available. The above language is not to be construed as a ratio.
79. There shall be a ten (10) period Apprentice program. The school period for first (1st) through tenth (10th) period Apprentices shall be from 7:00 a.m. to 3:30 p.m. as determined by the JATC. Apprentices shall be paid for attending school.
80. The JATC shall maintain a pool of Apprentice Applicants which shall be available to perform any non-assembly work. If the JATC is unable to furnish an Apprentice Applicant within forty-eight (48) hours (Saturdays, Sundays and Holidays excluded) of an Employer's request, the Employer may hire whomever it deems qualified as an Apprentice Applicant. In order to hire an Apprentice Applicant, an Employer must also employ, at the time of such hiring, at least one Apprentice in such work if unemployed Apprentices are available.
81. An Apprentice Applicant must be assigned to work under the direction of a Journeyman. Rules for the number of Apprentice Applicants shall be as follows:
 82. One per shop
 83. When conditions warrant the Union will not unreasonably deny Employer requests for additional Apprentice Applicants.
 84. If the parties cannot reach agreement under **Paragraph 83**, above, the matter shall be sent to the IRC of **Paragraph 104** for an expedited decision within 72 hours.
 85. An Apprentice Applicant must meet all of the eligibility requirements established by the JATC in order to become an Apprentice.

ARTICLE XII

Jobsite Work

86. All pipe cut, threaded or fabricated in the shops of the Employers, or on the job, shall be the work coming under the jurisdiction of the Union (or their affiliates receiving the building construction wage

rate). All pipe two inches (2") and under and all hanger rods are to be cut, threaded and installed by Employees on the job, except that where piping two inches (2") and under is on equipment or where such piping comes within the exclusive jurisdiction of the Union, such work may be done in the Employer's shop, providing the Union is notified and a sticker is attached to such work when it is complete.

87. The restrictions of **Paragraph 86** shall not apply to the installation of pre-piped package equipment which is specified by the owner or his agent. Any dispute involving the application of this Article shall be referred to the IRC for resolution.
88. It is agreed by the parties that nothing contained in this Agreement shall prevent an Employer from utilizing all thread rod on any work providing it is brought to the jobsite in lengths not less than ten feet (10').

ARTICLE XIII **Temporary Heat**

89. After the building is enclosed and the permanent heating or cooling system is available for operation, and where the specifications allow the use of the permanent equipment for providing temporary heating or cooling, standby maintenance of the system while it is providing temporary heating or cooling rests within the jurisdiction of the Union, in accordance with the existing trade line agreement.
90. It is optional with the Employer to provide temporary heating or cooling, and to decide the number of hours it shall be in operation, so long as all phases of maintenance are recognized as the work of the Union. Temporary heating or cooling shall commence when the permanent heating or cooling system is used by the Employer for temporary heating or cooling, and shall last until the general tests are completed and the mechanical installation is accepted by the owner. This requirement is modified in the following **Paragraph 91**.
91. On any job when temporary heating or cooling is provided, standby maintenance shall be at the sole option of the Employer. Should the Employer require standby maintenance, the conditions set forth in **Paragraph 92 to Paragraph 96** of this Article shall apply.

92. If a job runs at least five (5) consecutive days, pay will be at the prevailing hourly rate for all shifts; provided, however, that time and one half (1½) shall apply when any Employee works in excess of forty (40) hours in one week.
93. Double time will apply to all shifts worked on one of the six (6) recognized holidays and Easter Sunday.
94. When Employees covered by this Agreement are employed on a job during regular working hours, standby maintenance will be optional with the Employer.
95. When it is desired to operate a system on less than a full-time basis, one (1) eight (8) hour shift per night and one (1) or two (2) eight (8) hour shifts Saturday and Sunday will be permitted. This is not intended to provide less than a forty (40) hour work week per man.
96. Employees working on standby will not leave the building until relieved by the following shift. In the event of absence or lateness, Employees shall adjust hours on later shifts to equalize total hours worked.

ARTICLE XIV Grievance and Arbitration

97. Should differences of any kind arise between the Association and the Union as to the interpretation, application or claimed breach of any of the terms of this Agreement, all such differences shall be submitted to the grievance procedure herein provided. The Trustees of the Joint Trust Funds may, at their discretion, utilize the grievance procedure to enforce the fringe benefit obligations of an Employer, including but not limited to the collection of unpaid contributions, liquidated damages, attorney fees, other costs of collections, and the surety bond obligations of an Employer as set forth in **ARTICLE X**.
98. Should any grievance arise, the same shall be taken up within five (5) days of the event giving rise to the grievance between the Business Manager or his designated representative and the Managing Director of the Association or his designated representative.

99. If any grievance is not settled as provided above, then either the Union or the Association may, within two (2) regular working days, in writing, submit the grievance to the IRC herein provided for.
100. The IRC shall consist of two (2) representatives selected by the Association and two (2) representatives selected by the Union. All four (4) members of the IRC shall constitute a quorum and must be present at all hearings.
101. The duty of the IRC shall be to hear all grievances submitted to the IRC within forty-eight (48) hours of the submission. Decisions of the IRC shall be reached by a majority vote of the entire IRC. The decision of the IRC shall be final and binding on the Association, the Employer, the Union and the Employee or Employees involved.
102. If the IRC cannot settle or adjust a grievance or dispute, the matter shall be submitted to a disinterested arbitrator who shall be selected by and be acceptable to the IRC. In the event the IRC is unable to mutually agree upon an arbitrator within five (5) days from the date of reaching impasse or dispute, then the arbitrator shall be selected according to the rules and procedures of the American Arbitration Association within ten (10) days. The arbitrator's fee shall be shared equally by the Association and the Union involved.
103. The arbitrator shall confine his decision to the dispute in question, and he shall have no authority to add to, subtract from or in any way modify the terms of this Agreement. The arbitrator's decision shall be rendered within thirty (30) days from the date of the hearing and shall be final and binding upon the Association, the Employer, the Union and the Employee or Employees involved.
104. The IRC shall be empowered to modify the provisions of this Agreement for specific projects. Requests will be in writing and any such modification by a majority of the IRC shall be in writing and shall not trigger the provisions of **ARTICLE XIX, Paragraph 120**, of this Agreement.

ARTICLE XV

105. The Metal Tradesman may only be employed by an Employer signatory to the current U.A. National Commercial Pipe Fabrication Agreement. The Metal Tradesman may perform any of the thirteen (13) functions set out in Article VII of said U.A. National Commercial Pipe Fabrication Agreement.
106. Apprentice Applicants shall be available to perform any non-assembly work as set out in **Paragraph 80** of this agreement.

ARTICLE XVI

107. So long as this Agreement is in effect, the Union will not cause, nor will any member of the Bargaining Unit take part in, any strike, slow-down, stoppage of work, planned inefficiency or any other curtailment of work or restriction or interference with construction for any reason whatsoever. Nor will the Union threaten, induce, authorize or sanction the same. Upon learning of any unauthorized strike, slow-down, stoppage of work, planned inefficiency or any other curtailment of work or restriction or interference with construction, the Union shall take all necessary steps within its control to avert or bring such activity to a prompt termination. Nothing contained in this Article shall prohibit strike action, authorized by the JAC, against an Employer for failure to fully comply with the payment of contributions and all other fringe benefit obligations of this agreement, including but not limited to the provisions of **ARTICLE IX**, and **ARTICLE X**, provided further, that it shall not be a violation of this Article for the Union or members of the Bargaining Unit to refuse to cross a picket line or refuse to perform work in any instance when the purpose of the picketing or refusal to perform work is lawful and is duly authorized by the Greater Detroit Building and Construction Trades Council.

ARTICLE XVII

Health and Safety

108. It is agreed by the Union and the Association that Health and Safety are of primary importance. All Employers and Employees shall comply with the reasonable Health and Safety rules and/or regulations imposed by law, the owner and/or Employer. Failure to comply with such rules may result in removal from the job.
109. All injuries, except those that are undetectable, must be reported by the end of a work shift to the job site supervision on forms provided by the Employer.
110. When the General Contractor or Construction Manager fails to provide adequate clean-up facilities, the Employer will make available at such job site either Hand Cleaner, Hand Sanitizer or Hand Wipes.

ARTICLE XVIII

Savings Clause

111. The parties believe that this Agreement is not in any part contrary to the provisions of any State or Federal law. In the event it should be later found that a clause, sentence or paragraph of this Agreement is in derogation of the provision of any State or Federal law, that portion of the Agreement shall give way to the provisions of such law, and if necessary to revise such clause, sentence or paragraph, the Association and the Union will meet to negotiate the same, but all provisions of the Agreement not so in derogation shall continue in full force and effect, without change, until the termination of the Agreement.

ARTICLE XIX

112. **Agency.** It is understood and agreed that the Association is acting only as an agent for those persons, firms, partnerships, corporations or joint ventures who have authorized them to negotiate and execute this Agreement and in no event shall the Association be bound as principal or be held liable in any manner for any breach of this Agreement by any Employer for whom they are acting, or any Employees of such Employer. It is further agreed and understood that the liabilities of the Employers who are bound by this Agreement shall be several and not joint.

113. **UA Standard for Excellence.** The Union and MCA agree to adopt and support for ratification the UA Standard for Excellence as amended with the enforcement issues as attached in Appendix E.
114. **Training.** All active Construction Journeymen will be encouraged to have eight (8) hours of upgrade training per year. All active Service Journeymen will be encouraged to have sixteen (16) hours of upgrade training per year. All active Journeymen who completed Journeyman upgrading classes in the prior year shall receive the base Journeyman straight time hourly rate for each hour of class attended for a minimum of eight (8) hours and not to exceed sixteen (16) hours in a year. The P.I.E.T.F. shall cover the cost of the Upgrade Training.
115. To promote consistent qualification standards for 636 classifications, 636 and the JATC will share all information that 636 used to make advancement decisions.
116. **Ready to Work Language.** Effective January 1, 2014 all active members of the Bargaining Unit, except Apprentices, who are current and remain current in subsequent years with the M.U.S.T. 117. **By-Laws.** The Union affirms that no provision contained in its Constitution, Bylaws, working rules or regulations will prevent compliance with the terms of this Agreement. The Association affirms that no provision contained in its Constitution or Bylaws will prevent compliance with the terms of this Agreement. In the event of any conflict arising, this Agreement will prevail.
118. **Entire Agreement.** This Agreement covers the entire understanding between the parties hereto. No oral or written understanding which is not mentioned or referred to herein will be of any force or effect upon any parties hereto.
119. **Amendment.** This agreement may be amended in writing by mutual agreement.

120. **Equal Treatment**. With the exception of public corporations as Employer, and a site specific agreement established by the Greater Detroit Building and Construction Trades Council for the General Motors Proving Grounds providing for Total Facilities Management, the Union agrees that should it enter into any agreement with an Employer who performs work of a similar nature to that performed by the Employers covered hereunder, having terms or conditions more favorable to such Employer than those provided herein, then, upon proof of such agreement, the more favorable terms or conditions shall automatically become a part of this Agreement. The Association will consider temporarily waiving this provision provided it can be demonstrated to the satisfaction of the Association that the waiver will facilitate the successful transition for a specific non-Union Employer to a Union Employer who is compliant with all terms in the current MCA & 636 CBA.
121. **Total Facilities Management**. Should any Employer signatory to this Agreement wish to do Total Facilities Management, the Union shall make the contract between the Greater Detroit Building and Construction Trades Council and Johnson Worldwide available to the Employer. Construction Working Conditions

122. **Normal Work Day**. Eight (8) consecutive hours, exclusive of lunch period, between 7:00 a.m. and 4:30 p.m. shall constitute a regular day's work. Regular workdays are defined as Monday, Tuesday, Wednesday, Thursday, and Friday. Employees shall start work on all jobs within the jurisdiction of the Union at 8:00 a.m. and stop work at 4:30 p.m. or, at the option of the Employer, shall start work at 7:00 a.m. and stop work at 3:30 p.m. Should the Employer choose to start the Employees on a given job at 7:00 a.m., the Employer must notify the Union of that fact and all Employees employed by the Employer on that job must be scheduled to start at 7:00 a.m. for at least five (5) consecutive days.
123. **Show Up Time**. Any Employee authorized to report to work shall receive at least one half (½) day's pay, except when work is held up due to weather conditions, when he shall be allowed and paid two (2) hours "show up" time.

124. When agreed to by the Employer and the Union, the Employer may institute a flexible work week consisting of four (4) ten (10) hour days during the week preceding, the week following, and/or the week of a holiday recognized under this Agreement. Where a flexible work week under this section is utilized and overtime work is necessary, the applicable overtime rate will be determined by the IRC.
125. **Shift Work.** Shift work may be performed on all work at the option of the Employer. However, when shift work is performed, it must continue for a period of not less than five (5) consecutive days. The day shift shall work a regular eight (8) hour shift, as outlined in **Paragraph 122**. Employees working the second (2nd) or third (3rd) shift shall receive pay for actual hours worked. The shift rate for an Employee on the second (2nd) or third (3rd) shift shall be fifteen percent (15%) over and above his wage. Overtime shall be paid for at time and one half (1½) the shift rate for the first two (2) hours of overtime Monday through Friday and for the first eight (8) hours of work on Saturday. Double the shift rate shall be paid for all hours worked in excess of ten (10) in one (1) day Monday through Friday, in excess of eight (8) on Saturday, and for all work on Sunday and Holidays. An Employer is not required to work a first (1st) shift in order to have a second (2nd) shift for institutional or commercial work. In all other cases, the Employer shall have the option of working the first (1st) shift off the job site.
126. When an Employee works through two (2) consecutive shifts, he shall remain on overtime until he receives a shift break of a minimum of seven (7) hours prior to commencing work on the Employee's normally established shift.
127. **Maintenance Work.** Whenever industrial maintenance work is scheduled to be performed for a period of five (5) consecutive days or more, and the owner or his agent requests that such work be performed under the terms and conditions of the National Maintenance Agreement, any Employer not a signatory party to the National Maintenance Agreement may perform such work under the following local maintenance agreement.

128. All time worked before and after the regular work day set forth in **Paragraph 122** and all time worked on Saturdays shall be paid for at the rate of time and one half (1½) of the Employee's regular straight-time hourly rate of pay. All time worked on Sundays and holidays defined in **Paragraph 31** shall be paid for at a rate of double time.
129. Shift work may be performed on such work at the option of the Employer, but when performed it must continue for a period of five (5) consecutive work days. Employees on the first (1st) shift shall receive their regular straight-time hourly rate. Employees on the second (2nd) shift and the third (3rd) shift, if one is scheduled by the Employer, shall receive a shift premium of fifteen percent (15%) above his regular straight-time hourly rate of pay. Employees working on the second (2nd) or third (3rd) shift shall only be paid for actual hours worked.
130. For purposes of this section, the term "industrial maintenance" shall be defined as any work performed of a renovation, replacement, repair or maintenance character within the limits of an industrial plant property or other locations related thereto.
131. Where the Employer is a signatory party to the National Maintenance Agreement, he shall have an option of using the National Maintenance Agreement or the above local maintenance agreement.
132. **Tools.** The Employer will furnish all tools necessary to complete the work. Every precaution shall be taken by the Employees against loss or misuse of tools. Theft or misuse of the Employer's tools by the Employee to whom they are furnished is adequate reason for discharge.
133. **Mileage.** The Union will man all jobs within its geographical jurisdiction without travel expenses; provided, however, an Employee will be paid the IRS approved mileage expense allowance as travel expense whenever he is authorized to travel in his car from one job location to another job location during one work day.
134. **Parking.** Upon the presentation of a parking receipt, an Employee will be reimbursed up to \$16.00 for parking during the contract.

135. No Employee will be reimbursed when free parking is provided within a quarter mile of the jobsite or free parking is provided with a shuttle service. When a shuttle service is provided, transportation between the jobsite and the shuttle area will be available throughout the workday.
136. **Jobs Outside Geographical Jurisdiction.** On contracts or jobs outside the geographical jurisdiction of the Union, where local conditions permit, one Employee from the Detroit area may be employed and remain on the job until completion of the Employee's part of the work. This Employee shall receive pay for all regular hours consumed in traveling, together with transportation and expenses incidental thereto, and all the Employee's personal living expenses shall be paid to the Employee while on that job. Employees' travel pay and transportation expenses shall be paid only once each way from such work, unless special trips are authorized by the Employer. Expenses in excess of one Employee working outside the geographical jurisdiction of the Union shall be optional with the Employer.

All Employers working Employees under conditions of this paragraph shall be bound by the terms of this agreement on a day-by-day basis and all Employees so worked are to be bound by the terms of the newly negotiated agreement. The Union agrees to exert every effort through its international and local officers and representatives to end any unauthorized interruption of work. The Employer will not engage in any work slowdown or lock out any of the Employees covered by this Agreement.
181. The parties agree that, in the manner set forth in **ARTICLE XIV**, they will submit to arbitration all grievances and disputes that may arise between them and any misunderstandings to the meaning or intent of all or any part of this Agreement. However, the Employer shall not be required to resort to the grievance and arbitration procedures prior to resorting to other remedies in the event of

violation of **Paragraph 180**. In the event of a lockout, or a strike, slowdown, work stoppage, or other curtailment or interference with the Employer's operations the parties agree that any claims for relief, including damages, are to be immediately submitted to arbitration following the grievance procedure as set forth in **ARTICLE XIV**.

Where a disagreement exists between the Employer and the Union concerning whether or not a given provision of this agreement should apply, or regarding the intent, meaning, application or compliance with the terms of this Agreement, it shall be resolved in accordance with the grievance procedure covered in **ARTICLE XIV** of this Agreement. Such disagreement shall be submitted in writing (see sample Grievance Form in **APPENDIX D**) for resolution within ten (10) days from the date of the occurrence or from the date it reasonably could have been discovered by the parties involved in accordance with the grievance procedure covered in this Article. There shall be no work stoppage during arbitration or grievance procedures.

185. The work described in this section must be performed in accordance with the working conditions, Employee classifications, rates of pay and fringe benefit contributions of this agreement covering the installation work being performed. When those terms are not consistent with this section, this section shall prevail. Employees working under this section may be required to pass the UA STAR exam for Refrigeration.

186. By mutual agreement between the Employer and the Union, the standard work week (Monday – Friday) can be established to consist of four (4) consecutive ten (10) hour days. The pay for all hours worked, as described in this paragraph, shall be at the appropriate straight time rate and not subject to overtime provisions.
187. When so elected by the Employer, multiple eight (8) hour shifts may be worked on a temporary basis. When two (2) or three (3) shifts are worked, the first (1st) eight (8) hour shift shall be the day shift and shall be paid at the straight time hourly rate of pay. The second (2nd) and third (3rd) eight (8) hour shifts shall each be paid at a rate of fifteen percent (15%) above the straight time hourly rate of pay.
188. In agreeing to pay fringe benefits as established in this agreement, the Employer hereby adopts and agrees to be bound by the written terms of such legally established trust agreements and the ITF trust agreement specifying the detailed basis on which payments are to be made into, and benefits paid out of, such trust funds. The Employer authorizes the parties to such local and ITF trust agreements to appoint Trustees and successor Trustees to administer the trust funds and hereby ratifies and accepts the Trustees so appointed as if made by the Employer.

All other provisions of this Agreement shall apply to work described in this Article, except to the extent such provisions are specifically addressed in and inconsistent with the provisions of this Article, in which case this Article applies; however, the Employer has no greater duties or obligations and the Union has no greater rights than those provided in the National Service and Maintenance Agreement unless specifically provided in this Article.
