Journeyman Plumber

A 4-year agreement has been finalized with Local 98, allocating \$3.00 annually for BTJ work over the duration of the agreement (\$3, \$3, \$3, \$3).

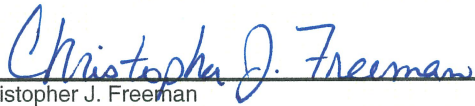

As the new rates take effect during the first full payroll period after ratification, they will initially be allocated to Wages for simplicity and expediency. Local 98 retains the right to allocate the new funds within each classification as of June 2, 2025.

In the BTJ work classification, \$4.00 is being reallocated from the Legacy DB to wages.

The MCA Detroit Board has approved an additional \$0.08 increase for the Piping Education Council, marking the first increase since 2015.
